Respectfully returned.

Your letter dated Dec. 23rd 1891 requesting information as to what arrangements have been made for distributing the new coin after Jan. 2nd, is received.

In reply I have to say that no arrangements have been made by this office for distributing the new coin after Jan. 2nd, but it is presumed that the Treasurer of the United States will give early information as to when the coin will be ready for distribution.

Very respectfully,
A. Loudy Snowden
